

What is the Round Up Program?

Beginning Monday, May 10th, 2021, we will begin offering the opportunity to donate to a charitable cause when you pay your utility bill. You can select from one of two donation types:

- **Recurring Round Up Donation:**
 - Each billing cycle, your bill will be rounded up to the nearest dollar.
 - Once selected, this change will take effect the next billing cycle.
 - This monthly contribution will continue on all future bills, until you contact our customer service department, requesting the contribution cease.

- **One-Time Round Up Donation:**
 - On your bill, you can indicate a specified amount.
 - If you do not include the amount indicated on your current payment, the amount will be added to your next bill.

Where does this money go?

- On a regular basis, the Moon Lake Electric Board of Directors will evaluate charitable contribution opportunities and determine where to donate the accrued funds.

How do I sign up?

- **Paper Bill**
 - At the bottom of your bill, below the account breakdown, there will be a section where you can select your preferred donation type:

| | |
|-------------------------------------|-------------------|
| Account Number | 99999999 |
| Billing Date | 04/22/2021 |
| Current Charges Due 05/13/21 | \$159.56 |
| Total Amount Due | \$159.56 |

Amount Paid \$ _____

- Please sign me up for a monthly recurring Round up donation
- Please process my one-time Round up donation of _____.

- Please note, if you have multiple accounts and select a recurring donation, **all accounts will be rounded up** to the nearest dollar.

- **Online**
 - Using our new online platform, SmartHub, you can sign up for either donation type. When signing up for a recurring donation through SmartHub, each account will need to be signed up individually. Please visit mleainc.com/smarthub for more information.
